RE: GRAMA Request for Records

Dear MuckRock:

The State Bureau of Investigation (SBI) recently received your records request dated 2/14/2019, in which you requested data on all cases involving unsolved missing persons, homicides, suspicious deaths, and deaths in custody etc. The release of records you have requested is governed by the provisions of the Government Records Access and Management Act (GRAMA) found in Utah Code Ann. § 63G-2-101 et seq.

In response to your request, SBI does not prepare or own the requested records. GRAMA provides that a request for records should be made "to the governmental entity that prepares, owns, or retains the record." Utah Code Ann. § 63G-2-204. Consequently, you may wish to send a written request to the following entities in order to obtain the records you are seeking:

- Requested records may be obtained by contacting the Gina Mcneil, located at the Bureau of Criminal Identification. gmcneil@utah.gov

You may appeal this decision within 30 days from the date of this letter. Any appeal should be directed to Commissioner Jess Anderson, 4501 South 2700 West, Salt Lake City, Utah 84129.

Sincerely,

A handwritten signature in blue ink that reads "Taylor Keys".
